SUMMARY:

Agios Vassilis is just a few minutes by car from Almerida. This large plot is shared between 4 properties – each detached house will have 1,500m² of land, and has beautiful views of the White Mountains.

All 4 properties are currently available. They are in the process of being finished - there is also the possibility of selling them as they are, if the new owner would like to finish them personally.

At this stage, the new owner is able to choose their own tiles, wood etc. according to their wishes.

Each house has large balconies and sheltered covered areas, 2 or 3 bedrooms, 2 bathrooms, plus kitchen & living room.

These properties are ideal either as a holiday home or for all year round living. The environment is very peaceful and green, and is ideally located close to Almerida and all amenities.
