SUMMARY:

This beautiful, two storey detached house is situated on the outskirts of Sirili, approx. 3 kms from Tavronitis. It is in a quiet location with rural views and offers lovely walks into the surrounding hills. The local kafenion sells basic provisions, whilst bigger shops can be found in nearby Tavronitis.

A few steps lead up to the covered porch and main entrance, which opens into the living room. This is a light and airy room, equipped with a wood burning stove and ceiling fan.

Also on this level is a bedroom and a separate WC. An internal staircase leads to the ground floor. Here there is a kitchen/ dining room, a good sized bathroom with shower cabin, a spacious double bedroom and a storage room.

The kitchen door gives access to a beautiful garden full of colourful flowers and mature shrubs. There is a covered area with pergola and wooden trellis and a little seating area with bamboo furniture.

Towards the left there is a secluded, private garden area – the surrounding walls are actually the neighbouring buildings, which date from Venetian times, giving charm and character to this shady, quiet spot.

A tiled path leads from the covered pergola to the rest of the garden, which is very colourful with many plants and shrubs.
