PLOT SIZE: 750m2

SUMMARY:

Located near the centre of the village of Skines, inland at the foot of the White Mountains. Skines is a working village, active all year round, with a typical Greek community, non - touristy.

On this small plot we can build either one or two properties, an "a-la-carte" project. Choose the layout, number of bedrooms, design etc. exactly according to your wishes.

The price will be according to these plans.
