SUMMARY:

This modern, 4 bedroom villa has a perfect location in Stalos, just 5 minutes from the beach and many amenities. There is a very regular bus service to Chania which stops nearby.

All bedrooms have fitted wardrobes and balconies, there are two bathrooms and one wc. The kitchen is fully equipped and has stainless steel white goods. The living room is a good size and features a fireplace, ceiling fans and is particularly light and airy due to the large French doors leading onto the terrace with unobstructed views towards the sea.

There is air conditioning in all rooms, solar panel, storage, garage, tiled floors, aluminium doors and windows, beautiful landscaped garden with walls all around, plus bbq and private swimming pool.

The villa offers panoramic sea views to Theodorou Island. The views can be enjoyed from all of the terraces and balconies.

This beautiful property is suitable for all year round living and is ready to move into.
