PLOT SIZE: 150m2

SUMMARY:

On this small individual plot we are able to build an "a la carte" project - a small house or bungalow of your choice! With the guidance of our architect you will be able to choose the layout and plans for your new home.

There are different size & price options as follows: -

70m2 property = 131,000 Euros

75m2 property = 140,000 Euros

80m2 property = 149,000 Euros

Situated in an elevated position above the busy working village of Tavronitis, this plot has stunning views of the sea and the white mountains. Tavronitis is a hive of activity all year round and offers many amenities. Chania can be reached within 20 minutes.
